

Newsletter January 2017 Edition 7 - Nr. 1

The CakamonSaws staff wishes you a happy and successful 2017!

Reciprocating saw blades

CekamonSaws looks back on 2016 as a year in which a lot of things are achieved. One of these achievements is the Introduction of a complete as possible range of reciprocating blades for our customers. In 2017 we will continue searching for reciprocating blades that will complete our range even more. For that reason we start 2017 by introducing a coarsely toothed blade.
